DEVI SHARAN

India Builders®
(CHENNAI) LIMITED

About India Builders

Since its inception in 1987, India Builders has always strived to be a company, which sets the benchmark for others in the real estate business.

Be it in our design, methodology like soil testing etc., acquiring legal and Government approvals, construction practices, infrastructure and amenities provided, we do set a benchmark for others to follow.

No wonder we have acquired the ISO 9001 certification, which in itself means that we adhere to inflexible international quality standards.

We have crossed more than two million square feet of constructed area and are known as a company, which perseveres in providing the best of apartments to our deserving customers.
